

# Not sure how to check in with your phone?

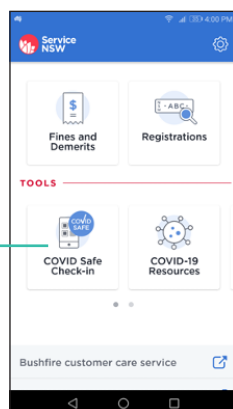

Follow these steps on your phone to check in with this venue's Quick Response (QR) Code, provided by Leep NGO

Do you already use the Service NSW Application?

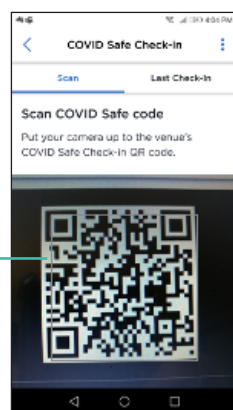

## Yes

Open the app.  
Click Covid Safe Check In

Then move your phone so the QR code is centered on your screen

This will check you in

## No

You may need to download it first from the Google Play Store (for Android phones)

Or the App Store (Apple Phones).

Search "Service NSW" in the app.

Without the App try checking in:

1. Open the camera on your phone
2. Hover your phone over the QR code until it appears on your screen
3. A link will appear to take you to the check in page

The icon may look like
